OFFICE OF THE PRESIDENT,
DISTRICT BOARD BANGALORE.
Dated, Bangalore ... 19 .

From

President, District Board, Bangalore
District.

To.

K. R. Sreenivasa Iyengar Esq. M.A.
Offg: Secretary to the Government
of Mysore, General and Revenue
Departments, Bangalore.

Sir,

With reference to G.O. No. 8734-5 / LB235-10-3 dated 24th April 1911, calling for a report in consultation with the District Board on the working of the Sante at Chandapur, Anekal Taluk, for orders being passed by Government as regards its continuance or otherwise, I have the honor to state as follows:-

Levy of fees in the Sante was sanctioned temporarily for one year in October 1909 and a report called for on the working of the system with a view to pass orders regarding the continuance of the levy or otherwise of the fees. The District Board recommended the holding of the Sante tentatively for another

another year, as the time allowed was not sufficient to form an opinion regarding its working. Thereupon the holding of the Sante and the levy of fees thereat was sanctioned by Government for another year till the end of March 1912. Levy of fees in the Sante began in the month of January 1910. During the first year, that is, from January to December 1910, a sum of ~~Rs~~ 937/- was collected and in the following year ~~Rs~~ 721/- or ~~Rs~~ 216/- less than in the first year were collected.

The Collections from January to March 1912 amounted to ~~Rs~~ 137/- as against Rs 503/- and 278/- respectively during the corresponding period of the two previous years 1910 & 1911 respectively. From the above it will be seen that the Collections which were in the first year promising fell far below expectations in the 2nd year and the collections during January, February and March 1912 also were disappointing. The matter of continuing or otherwise of the Sante was also placed before the District Board at a meeting held on 24th February 1912 and it was resolved that the sense of the Board is to discontinue the Sante

During the Jamavandi of the Taluk I visited

The town of Anekal. The trade in the town appeared to be dull. Municipal income under octroi has been gradually decreasing year after year. The cause being attributed to the holding of the Sante at Chandapur which attracted merchants who prefer to take their goods to the Sante for sale to avoid octroi duty at Anekal. This trade in the town has been deteriorating. Anekal is one of the big municipal towns, constituted under the Municipal Regulations. Its annual income more or less covers its expenditure Public and other Sanitary works are being carried out on a small scale for want of sufficient funds. Even if the municipality improves its resources by revising the house and Mohalarfa taxes, I am inclined to think that any small increase that may be expected may not suffice to meet the demands of the town for its sanitation and other works of public utility.

Under these circumstances, I think the view taken by the District Board is correct and I recommend that the Sante which is now being held at Chandapur may be ordered to be discontinued as there exist already santes at Madivala, Attibele and Dommasandra in the neighbourhood.

Extract from the Boards' Resolution is herewith submitted.

I have the honor to be
Sir,
Your Most Obedient Servant,

President, District Board,
Bangalore District.
